HERBERT HOOVER IS NOT A CANDIDATE FOR PRESIDENT

He Believes in Only Two Great Parties, and He Is for the One That Boosts the League.

New York, Feb. 9.—Herbert Hoover last night issued a statement defining his attitude toward the presidency. He announced that he is not a candidate for the nomination and that no one is authorized to speak for him politically. If the League of Nations is made an issue in the election, he says, he will vote for the party that stands for the league. In response to requests that he declare alliance to either one or the other of the great political parties, Mr. Hoover says he will wait until it more definitely appears what the party managers stand for and will "exercise a prerogative of American citizenship and decline to pledge his vote blindfolded."

His statement in part follows:

"In order to answer a large number of questions all at once, let me emphasize that I have taken a day off from the industrial conference in Washington to come to New York solely to attend to pressing matters in connection with the children's relief. I want to say again:

"I have not sought and am not seeking the presidency. I am not a candidate. I have no 'organization' no one is authorized to speak for me politically."

RAVENWOOD WOMEN TO ERECT MEMORIAL

MONUMENT WILL BE PLACED IN OAK LAWN CEMETERY.

HAVE PATRIOTIC CIRCLE

War Relief Societies Merged Into a General Organization Embracing All Women of the Township.

The women of Jackson township, who are organized into the Patriotic Circle, are starting a fund for the erection of a memorial monument for the soldiers of the township who fell in the world war.

The Patriotic Circle is the outgrowth of the former G. A. R. circle and Red Cross auxiliary, which merged into the one organization when the war relief activities ceased.

The women have assumed all the obligations of a Red Cross society in looking after cases of distress or need in their community and particularly in keeping a general supervision of the welfare of the former soldiers.

They also take an active part in all events which mean community good and have plans for numerous future things which they hope to accomplish that will be of benefit both to the town of Ravenwood and the township.

The soldiers' memorial is to be a handsome monument placed in Oak Lawn cemetery in memory of Roy David Hunterton, Frank Bradley and Carl Richard Oglesby, the three "gold star" men of Jackson township. To raise this fund the women are now working on articles for a spring bazaar and a home talent play is another benefit affair which they have planned to be given next month.

The officers of the Circle are Mrs. David Grater, president; Mrs. Ches. Thompson, vice-president; Mrs. Bert Stoeber, treasurer, and Mrs. John Midyett, secretary. The meetings of the society are held the first and third Thursdays in each month.

LABOR WILL HAVE OWN CANDIDATE FOR OFFICES

Gompers, Morrison and O'Connell to Dictate Plan to Squelch Candidates Unfriendly.

Washington, Feb. 9.—Organized labor, 3,000,000 strong, has thrown its hat into the political ring.

Vigorously denouncing congress, which, it was said, "has failed to do its duty," the American Federation of Labor yesterday announced the appointment of a national non-partisan political committee, which will mobilize trade unionists and "all lovers of freedom" in an effort to defeat candidates in different or hostile to labor and to elect "true and tried" friends. Not waiting for the general election in November, the campaign will be started immediately and pursued without relaxation through the primaries, in which, it is stated, all aspirants for office will have their records "analyzed," stated in unmistakable language and given the widest possible publicity. This program applies to all candidates, from presidential nominee down.

Samuel Gompers, president of the federation; Frank Morrison, secretary, and James O'Connell, president of the federation's metal trades department, were appointed as the executive committee, empowered to obtain such assistance as necessary. Four women

Are a Harmless Substitute

Dr. Edwards' Olive Tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. For 17 years he used these tablets (a vegetable compound mixed with olive oil) in his private practice with great success. They do all the good that calomel does but have no bad after effects. No gains, no griping, no injury to the gums or danger from acid foods—yet they stimulate the liver and bowels. Take Dr. Edwards' Olive Tablets when you feel "lousy" and "heavy." MISS BERTHA BEAL VERY

Miss Bertha Beal of this city is very ill with pneumonia at the Florida East Coast hospital, St. Augustine, Florida. Mrs. Thaddeus K. Beal, with her daughters, Misses Alice and Bertha Beal, left January 28 for Florida to spend the remainder of the winter for the benefit of Miss Bertha, who had not been well for some time previous. She contracted a heavy cold while enroute to Florida and was very ill upon her arrival there.

"The Combat" at the Electric.

There is something about a combat that savors of interest whether it is a battle of wits or fists. It arouses the fighting spirit and makes the blood tingle. That is just what Anita Stewart does in "The Combat", which will be shown at the Electric theatre today and tomorrow.

There are several elements that go to make up the success of the picture and all of them savor of combat. There is the battle of wits between mother and daughter, the battle for fame and fortune, the battle of love against jealousy, the political fight, the struggle of a man accused of murder, the tiger like combat of a woman in the toils of a blackmailer, all of which arouse those with red blood in their veins and hold the attention.

It is a feature that you will like. There is lots of action crowded into the five reels and there is a punch that smacks sweet. Big scene follows big scene, separated by a bit of light comedy or love to relieve the tension and set the next thrill off in bold relief.

Aching in the small of the back is an indication of kidney disease. The proper course in such cases is to begin at once the use of Prickly Ash Bitters. It is an effective kidney remedy and system regulator. Price \$1.25 per bottle. Maryville Drug Co. ADV.

OUTING FLANNEL GOWNS

Outing Flannel Gowns of all kinds will be at least twice as high next fall as we are now selling them for, but in order to close them out, rather than to carry them over, we will sell them now at 20 per cent off of our already very low prices.

One small lot of Ladies' Cloaks, this season's styles, will be closed out now at exactly 1/2 PRICE.

All other cloaks will be sold at a discount of 20 PER CENT.

UNDERWEAR

All Ladies' Knit Underwear will be at least two to two and a half times higher in price next season than it is now. Many mills have already sold for next season more than they can produce. A Few Good Buys in Kimball County Land

A FULL SECTION, IMPROVED, FOUR MILES FROM TOWN, 400 acres in fall wheat. This farm is rented so that one-third of crop delivered in town goes to the purchaser. Priced for quick sale at \$52 per acre. Terms of about \$12,000 cash and balance reasonable terms to suit purchaser.

A FINE UNIMPROVED HALF SECTION, NINE MILES FROM town, practically every acre good plow land. School house on the land. Priced at \$45 per acre. Terms of half cash and balance to suit. A GOOD IMPROVED QUARTER SECTION, ALL GOOD WHEAT land, only twelve miles from town, 80 acres in fall wheat all goes with place. Price of \$65 per acre. Terms of about half cash, balance to suit.

AN ALL-LEVEL HALF SECTION ONLY NINE MILES FROM Kimball. This is all broken up and in fall wheat. Rented for one-third of crop delivered. There is no better half section in the county and it is well located. Can be bought at the bargain price of \$65 per acre if sold before the first of March. Terms of \$8,000 cash and balance easy.

A FAIRLY WELL IMPROVED HALF SECTION 14 MILES FROM town, about 75 per cent of which is good level wheat land, balance rough pasture land. Price of \$45 per acre at most any terms to suit the purchaser.

AN UNIMPROVED QUARTER, ALL BUT ABOUT 3 ACRES level wheat land, only 14 miles from town. Price of \$35 per acre. Terms of half cash and balance three years.

A RANCH OF 3,000 ACRES PRACTICALLY ADJOINING THE town of Bushnell. This ranch has one complete set of improvements and two other wells. There is perhaps 50 per cent of this that would make good wheat land, the balance is rough pasture land. Price \$21 per acre on most any kind of terms.

A HALF SECTION SEVEN MILES FROM TOWN. MAIL ROUTE and telephone past the place. This is ideally located for some one to improve and make a home of. It has 110 acres in fall wheat, all of which goes with the place and is priced at \$37.50 per acre. This must be sold quick, and owner will carry half of purchase or even more if the right party buys. This is a good one.

Women of Missouri Suffer Pains and Aches

Kirkville, Mo.—"Some years ago I had a severe nervous breakdown, due to feminine weakness. I suffered with pains and aches continually. Was about as miserable as one could be, and just two bottles of Dr. Pierce's Favorite Prescription cured me of this ailment and I felt better than I had for a long time. I have since enjoyed good health. I can recommend 'Favorite Prescription' to women who suffer."—MRS. A. P. SCOTT, 1901 N. Franklin St.

Run-Down, Nervous, Weak
Kansas City, Mo.—"I found Dr. Pierce's Favorite Prescription to be just what is claimed of it as a woman's medicine. During middle life I was all run-down, nervous and weak, could not eat nor sleep well, did not have a bit of strength, would be tired and worn-out all the time. I knew I must have medicine and finally decided to try 'Favorite Prescription' and it was just the thing I needed as it brought me through in a good strong healthy condition. I always recommended it to my friends, many of whom have taken it with just as good results."—MRS. ALBERT LEEDOM, 5092 Michigan Ave.

Motherhood
St. Louis, Mo.—"After motherhood I developed woman's trouble. I suffered with inflammation and became very weak and thin. Suffered with backaches all the time and was a miserable nervous wreck when I was advised to try Dr. Pierce's medicine. I took two bottles of the 'Favorite Prescription' and used one box of 'Suppositories'. These medicines made me feel like a new person and my good health returned. 'Favorite Prescription' is an excellent medicine for women."—MRS. WM. GEORGE, 4120 Lee Place.
Dr. Pierce's Favorite Prescription can now be had in tablet form as well as liquid at most drug stores. Send to Doctor Pierce's Invalids' Hotel, Buffalo, N. Y., for a ten-cent trial package of tablets.
